

¿Que te acuerdas del Encuentro 2?

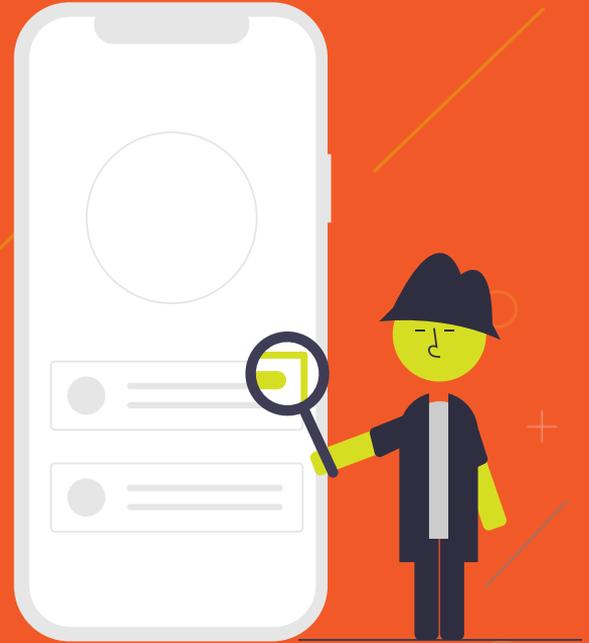

TALLER

Prototipo final
de nuestra app

Nos pidieron crear
una app para
Los Creadores

Poniéndonos la capa del Ux

- ✓ Crea un prototipo funcional rapido
- ✓ Sale a probarlo con usuarios reales
- ✓ Obtiene información valiosa y modifica prototipo
- ✓ Ahorra tiempo y recursos
- ✗ No crea el product final

Vamos a la página de loscreadores.cl

Talleres y Masterclass

ESCUELA DE CREADORES

Para alumn@s y docentes

Requerimientos para nuestra APP

- ✓ Mensaje de bienvenida a la app
- ✓ Sistema de Login, opción saltarse
- ✓ Talleres categorizados + Info de c/u
- ✓ Usuario seleccionar sus favoritos
- ✓ Sección para postular al premio

😊 Ahora si...
¡Manos a la obra!

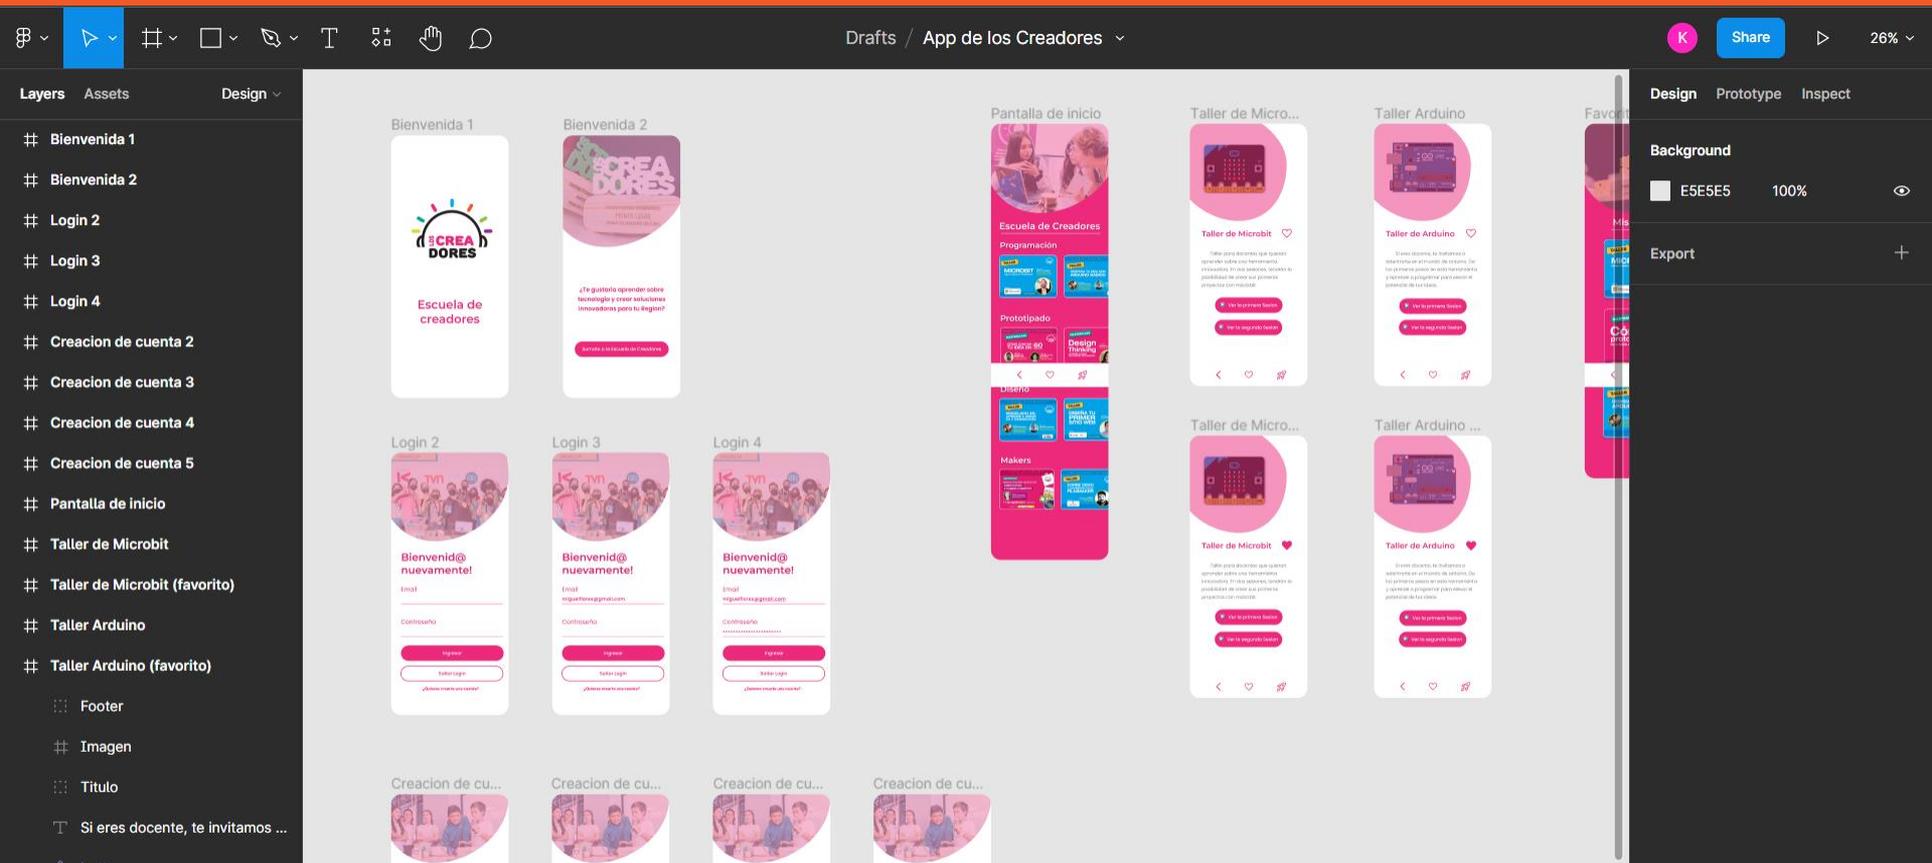

Actividad 9:

Importar proyecto
Los Creadores

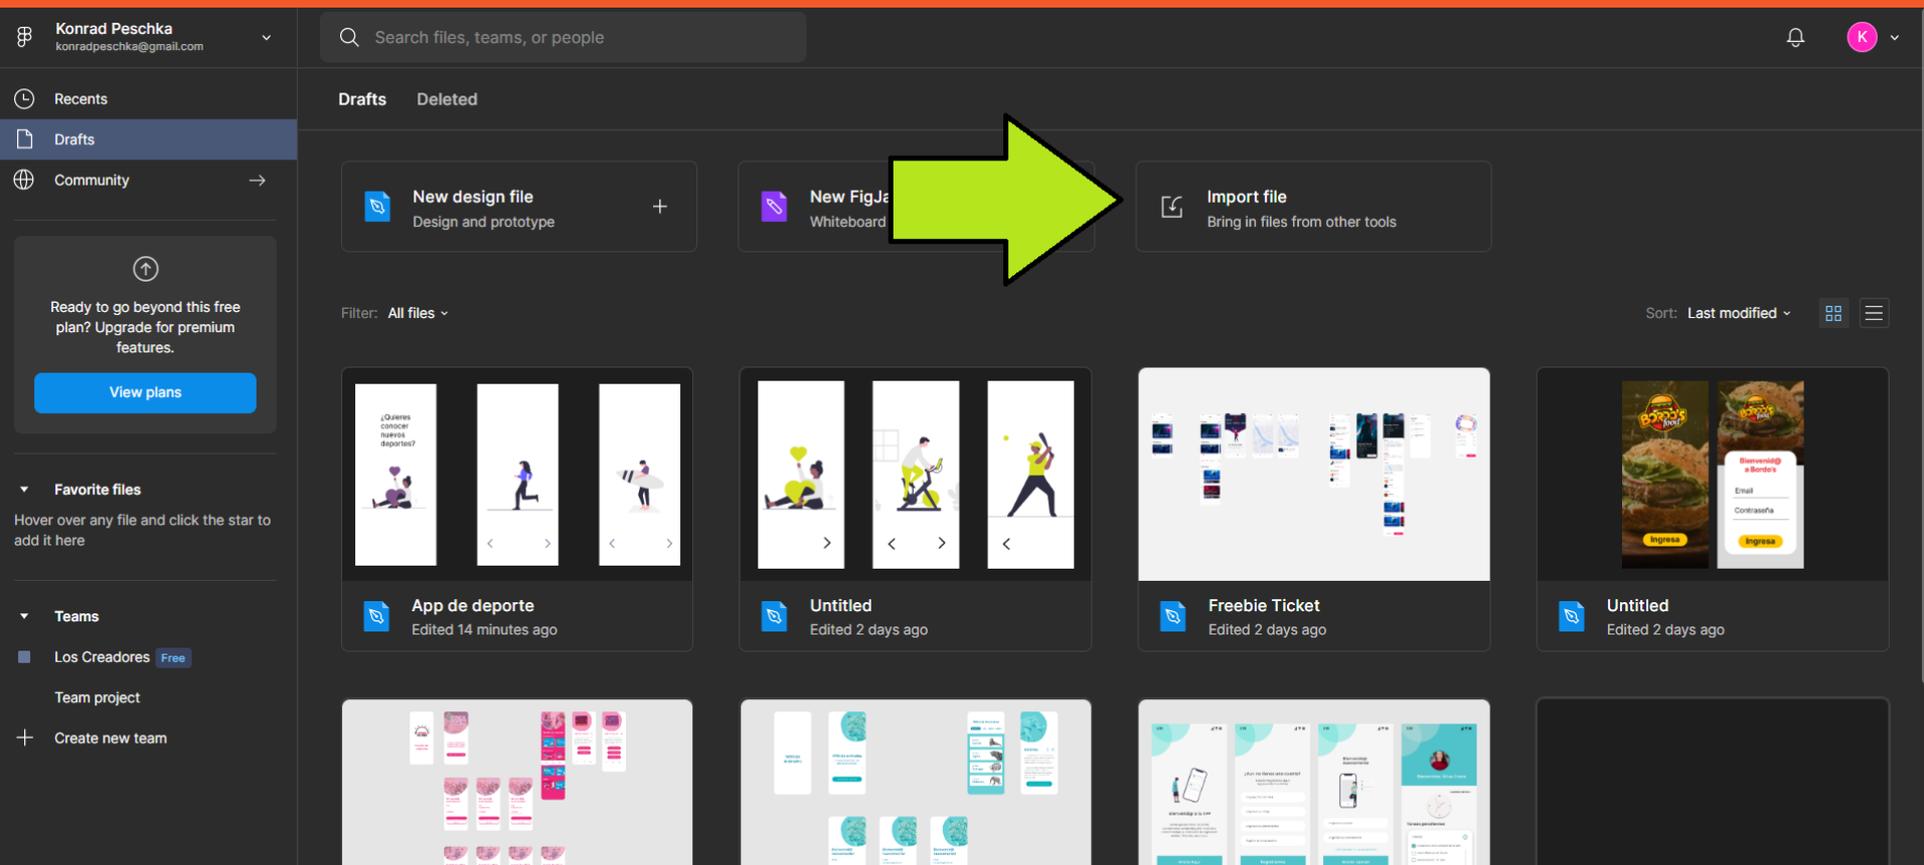

Vamos a importar el proyecto

Desafío:
Encuentra la
trampa 😊

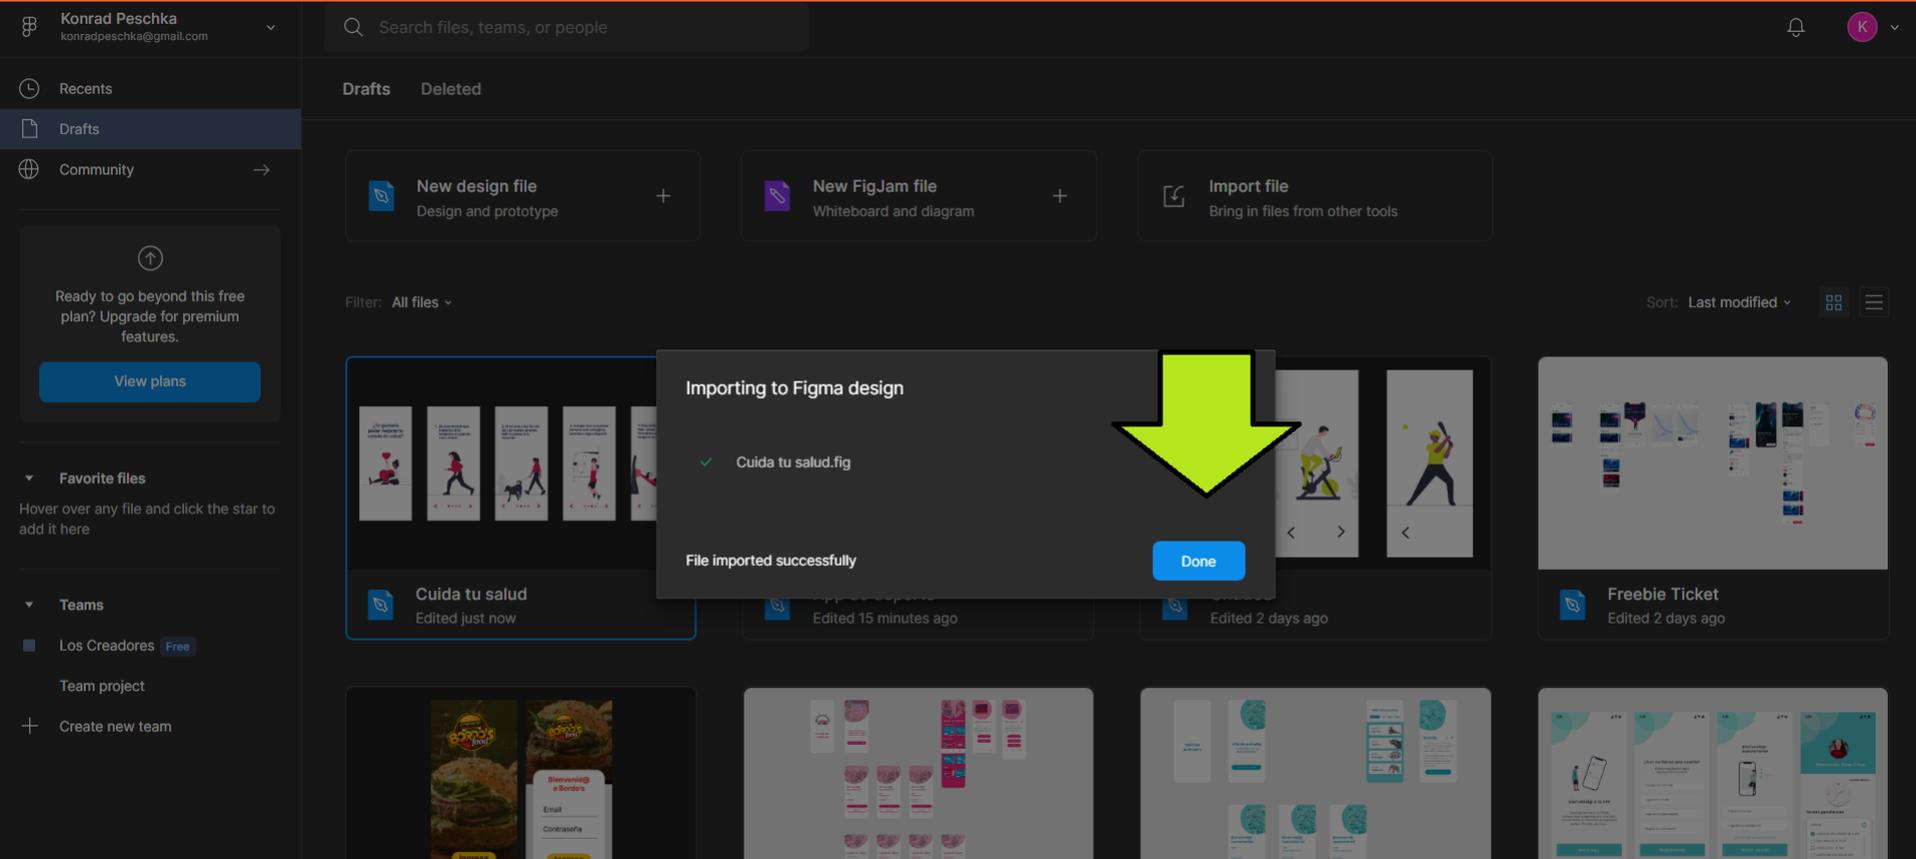

1.Importar un proyecto al figma

The screenshot displays the Figma web interface. On the left sidebar, the user profile 'Konrad Peschka' is visible, along with navigation options for 'Recents', 'Drafts', and 'Community'. A promotional banner for premium features is also present. The main workspace shows a grid of design files. A large green arrow points to the 'Import file' button, which is labeled 'Bring in files from other tools'. Below this, several design files are visible, including 'App de deporte', 'Untitled', 'Freebie Ticket', and another 'Untitled' file. The interface includes a search bar at the top, a filter dropdown set to 'All files', and a sort dropdown set to 'Last modified'.

2. Buscar el archivo y esperar a que cargue

3. Doble clic al proyecto recién cargado

The screenshot shows a design tool interface with a dark theme. On the left, a sidebar contains the user profile 'Konrad Peschka', navigation options for 'Recents', 'Drafts', and 'Community', a promotional banner for premium features, and sections for 'Favorite files', 'Teams', and 'Los Creadores'. The main workspace is titled 'Drafts Deleted' and features three creation options: 'New design file', 'New FigJam file', and 'Import file'. Below these is a filter set to 'All files' and a 'Sort: Last modified' dropdown. A grid of file thumbnails is visible, with a large green arrow pointing to the file 'App de los Creadores (Copy)', which is marked as 'Edited just now'.

4. Analiza los flujos, encuentra el error y arreglalo!

The screenshot displays the Axure RP interface for a mobile application prototype. The central workspace shows a flowchart with the following elements:

- Flow 1:** A sequence of screens including:
 - Bienvenid...:** Welcome screens for 'Escuela de creadores' and 'Escuela de Creadores'.
 - Login 2, 3, 4:** Login screens with the text 'Bienvenid@ Nuevamente!'.
 - Creacion ...:** Four 'Ingresar tus datos' (Enter your data) screens.
 - Pantalla d...:** A main menu screen titled 'Escuela de Creadores' with categories like 'Programación', 'Robótica', 'Drones', and 'Microbit'.
 - Taller de ...:** Workshop screens for 'Taller de Mueble', 'Taller de Arduino', and 'Taller de ...'.
 - Favoritos:** A 'Mis Favoritos' screen.
 - Postula a ...:** A 'Formulario de inscripción' (Registration form) screen.
- Navigation:** Blue arrows indicate the flow between screens, showing a complex network of transitions.

The interface includes a top toolbar with navigation icons, a left sidebar with layers and assets, and a right sidebar with design and prototype settings.

¡Vamos tu puedes!

Actividad 10: Scroll vertical y horizontal

¿Cómo hago para deslizar hacia abajo?

Desafío:
Prueba los scroll
en nuestra APP

1. Seleccionar la Vista y elegir "Vertical scrolling"

The screenshot shows the Axure RP software interface. On the left is a 'Layers' panel with a tree view containing items like 'Pantalla de inicio', 'Line 1', 'Programacion', 'Programación', 'Imágenes', 'Prototipado', 'Prototipado', 'Imágenes', 'Diseño', 'Diseño', 'Imágenes', 'Otros', 'Otros', 'Imágenes', and 'Color de Fondo'. Below this are 'Taller de Microbit', 'Taller de Microbit (favorito)', 'Taller Arduino', and 'Taller Arduino (favorito)'. The main workspace displays a vertical prototype with two frames: 'Pantalla de inicio' (a photo of people at a laptop) and 'Taller de Microbit' (a card with a micro:bit image). A large green arrow points from the 'Taller de Microbit' frame to the 'Vertical scrolling' option in the settings panel. The settings panel on the right is open to the 'Prototype' tab, showing options for 'Flow starting point', 'Interactions', and 'Overflow scrolling'. Under 'Overflow scrolling', 'No scrolling' is checked, but 'Vertical scrolling' is highlighted with a blue bar. Other options include 'Horizontal scrolling' and 'Horizontal and vertical scrolling'. Below these are sections for 'Removing a connection' and 'Running your prototype'.

2. Seleccionar la tarjetas y elegir "Horizontal scrolling"

The screenshot shows the Axure RP software interface. On the left is a 'Layers' panel with a tree view containing items like 'Pantalla de inicio', 'Line 1', 'Programacion', 'Programación', 'Imágenes', 'Prototipado', 'Prototipado', 'Imágenes', 'Diseño', 'Diseño', 'Imágenes', 'Otros', 'Otros', 'Imágenes', and 'Color de Fondo'. Below this are 'Taller de Microbit' and 'Taller Arduino (favorito)'.

The main canvas displays a vertical list of cards on a pink background. The cards are: 'Escuela de Creadores', 'Programación', 'Taller de Microbit' (with a 335 x 130 dimension label), 'Prototipado', and 'Diseño'. A blue arrow points from the 'Taller de Microbit' card to the 'Interactions' panel on the right.

The 'Interactions' panel on the right has a 'Horizontal scrolling' option selected with a checkmark. Other options include 'No scrolling', 'Vertical scrolling', and 'Horizontal and vertical scrolling'. Below this are sections for 'Removing a connection' and 'Running your prototype'.

Two green arrows point from the 'Taller de Microbit' card to the 'Horizontal scrolling' option in the settings panel.

Desafío:
Ahora prueba tu!

1. Posicionar el menú donde queremos que este

2. En design seleccionar la opción de "Fix oosition"

The screenshot displays the Axure RP Design tool interface. On the left, a 'Layers' panel lists various design elements such as 'Login 2', 'Creacion de cuenta 2', and 'Pantalla de inicio'. The main workspace shows a mobile app design with three columns: 'Pantalla de inicio', 'Taller de Microbit', and 'Taller Arduino'. A white navigation bar at the bottom of the 'Pantalla de inicio' column is selected, with a bounding box indicating dimensions of 360 x 73. On the right, the 'Design' panel is open, showing the 'Constraints' section where the 'Fix position when scrolling' checkbox is checked. A green arrow points to this checkbox. Another green arrow points to the 'Design' tab in the top right corner of the tool.

Actividad 12:
Ahora si, probemos
en el celular 📱

1.Opcion de enviar el link directo del navegador

The screenshot displays the Axure RP interface. At the top right, there is a 'Share prototype' button. A yellow arrow points to this button. In the center, a 'Share App de los Creadores II' dialog box is open. Inside the dialog, there is a 'Copy link' option at the bottom, which is highlighted by a yellow arrow. The dialog also shows a list of users with their roles: 'Konrad Peschka (You)' as the 'owner'. The background shows a mobile app prototype with various educational cards.

2.Descargar la app de Figma y logearte con tu cuenta
